County Spotlight....Shining a Light on our Personnel

Congratulations to Billy Dobbins, who was selected to be in the spotlight!

Billy began his career in law enforcement on August 1st of 1977. After previously working for the Marshall County Sheriff's office and Guntersville City, he returned to work at the Sheriff's Department in 1985, under Sheriff Walter L. Colbert. In May of this year, Billy celebrated 31 years with the Marshall County Sheriff's Department! During his 31 years with the Sheriff's Department, Billy has served in many roles and received several promotions. In 2003 Billy was promoted to Deputy Lieutenant, and he continues to serve in that role today. Billy and his wife Vicky live in Alder Springs. When he is not working, Billy enjoys going hunting, riding his horses and spending time with his children and 13 grandchildren!

If you experience a life event, such as a marriage, divorce, birth, adoption or eligible family member loss of coverage, you will only have 30 days to add or drop benefit coverage.

Also, if your address has changed, you will need to update your information with the County, RSA, and Local Government (BCBS).

Do you need to update your beneficiary information?

Talk to a doctor anytime for Free! Telephone & Online Video Consultations

Did you know that through the Local Government Health Plan there's a convenient and affordable healthcare alternative? With Teladoc, you can be connected with a licensed physician in minutes, not hours or days like you would at the ER, urgent care facility or with your personal physician. You can get care from wherever you are: home, office, traveling, wherever 24/7.

Common issues Teladoc doctors treat include: respiratory infections, allergies, bronchitis, cold & flu symptoms, ear infections, fever, pink eye, insomnia, sinusitis, tonsillitis, counseling, skin infections & more! **There's even an App for that!**
